INTELLIGENT OFFICE EQUIPMENT MACHINE

High-speed Banknote Counting Machine

Features:

- Small and exquisite design
- HD LCD Display
- Superb Low Noise
- With perfect dust resistance and removal system
- The Operational Principle of Vacuum applied
- Component-removal free when counting
- Compatible with currency of different versions
- Checking and Counting, Free Counting, Batching,
- Accumulation Functions

Specifications:

Weight	38kg
Size	355x280x840(mm)
Power supply	110-220VAC 50/60HZ
Display	LCD digital display
Counting Speed	100pcs<4s
Banknote capacity	210pcs
Application Scope	RM and kinds of currency
Noise	<60db
